

Patriots Jet Team Foundation

Bringing Aviation, Space and STEM to America's Youth

Become involved with the Patriots Jet Team Foundation!!!

We are a non-profit organization that has served the community for a decade – enhancing the lives of students by offering them experiences that are both valuable and life changing.

Students get to learn about aviation, space, and STEM subjects and careers through our school outreach programs, learning center activities, mentorship, and scholarships.

Our innovative, hands-on programs are free of charge and also help instill the importance of leadership, teamwork, commitment, and community service.
